Smile for Health–Wellness

Help your chronic illness by taking care of your mouth. Register for Smile for Health–Wellness to do it!

If you have a certain medical condition like: diabetes, heart disease, cerebrovascular disease (stroke) or rheumatoid arthritis and periodontal (gum) disease, you can get the proper treatment and maintenance for healthy teeth and gums by signing up for Smile for Health–Wellness. Not only will you improve your overall health, you can also reduce your medical costs!

It's true—people with certain chronic illnesses who are treated for gum disease reap the benefits of:

LOWER MEDICAL COSTS

FEWER DOCTOR'S VISITS

FEWER HOSPITAL ADMISSIONS

*Heart Disease, Stroke, Diabetes, Head & Neck Radiation, Lupus, Rheumatoid Arthritis or Organ Transplants
